Docket No. 634 of 25th April 1902 from the Agricultural chemist in Mysore—

—u—

With the above, the agricultural chemist has submitted two travelling allce bills on behalf of D. G. Ramachendra Rao clerk Demans office d. d in the Agricultural chemists office, for countersignature. In these bills, D. G. Ram-chendra Rao claims mileage for marches of not more than 20 miles. Such mileage is allowable only to Provincial officers, officers on transfer, Hospital Asst. travelling on duty and non-gazetted officers and

and medical Servants
accompanying the
Provincial officers (art: 562).

D. G. Ramachendra Rao
in question, has not
accompanied the
Agricultural Chemist
(a Provincial officer)
but has travelled under
his orders. It is therefore
doubtful whether the
mileage ~~claimed~~ claimed
is admissible.

Subs for orders.

DMB 7/5/02 As the Agriculture Chemist is a Provincial officer and as D.G. Ramachendra Rao is his Subordinate, ~~the~~ travelling under the orders of the former, the claim seems to be admissible.

DMB

Letter No 653 d: 2/5/02 received from the Agricultural chemist is also submitted. He has now forwarded the travelling allee bills of his establishment for March 1902

in which Rs 6-5-6 have been disallowed by the Comptroller from the travelling allce due to Lascar Ranga on the ground that he was not travelling with the Agricultural Chemist. He represents that as clerks, peons, lascars and other menials are sent to as much expense when sent out by him on duty as when accompanying him, it appears to him unreasonable to pay them less when sent out on duty by him than out on duty by him when accompanying him when on duty. And requests that as there is no definite ruling on the subject, orders may be passed on the same and especially so far as his dept is concerned that the travelling allces of all clerks and menials when sent out under his orders be the same as when accompanying him on tour. It is submitted that clause 4 of Art. 528 allows mileage to

Mercado only when they accompany Provincial officers and that on the same condition, mileage even for marches of not more than 20 miles is allowed to them. By the authority of these two articles, the Comptroller has disallowed the mileage claimed, tho' the same is admissible on the ground that the Estate attached to the Agriculture Chemist is a Provincial one.

Send papers as to Mr Ives

DMB — the Comptroller may
19/5/02 — be informed that the
Estate attached to the Agriculture
Chemist is entitled to the
same privileges when on tour under his orders
as when he accompanies
him. DMB

Art. 582 gives this privilege
only to those non salaried

Sir,

I beg to forward herewith the Travelling Allowance Bill of my establishment for March 1902, in which Rs.6-5-6 have been disallowed in the Comptroller's Department from the Travelling Allowance of Laskar Ranga on the ground that he was not travelling with me. As clerks, peons, laskars and other menials are certainly put to as much expense when sent out by me on duty, as when accompanying me, it appears to me unreasonable to pay them less when sent out on duty by me than when accompanying me on duty. In fact the expenses of menials when travelling without me is necessarily a little greater than when accompanying me as in the latter case they may occasionally find room in some of my private carts.

As there appears no definite ruling on this subject I request Government to kindly pass orders on the same, and so as my Department is concerned I beg to request that the Travelling Allowances of all clerks and menials when sent out under my orders be the same as when accompanying me on tour.
